PROPERTY DESCRIPTION

Mesa Orman II is one of the projects with the highest green area ratio per capita and its garden floor flats, large balconies and terraces brings freshness to your life by allowing you to touch the trees and grass.

Located nearby the forest and the natural lake, Mesa Orman has inspired its existence from nature. Linden and plane trees in the region are hosting the project. It sets an example project by its location at the the closest and in the most respectful distance to the forest and lake.

Luxury Investing

The energy you get from nature while you sit at your home combines with the energy of the city when you go out.

The liveliness you witness in the new stage of Mesa Orman does not stop following you even outside of the project!

With the new generation cafes, gourmet restaurants, boutique shops, sports centers and educational opportunities in the vicinity, your all needs can be fully satisfied.

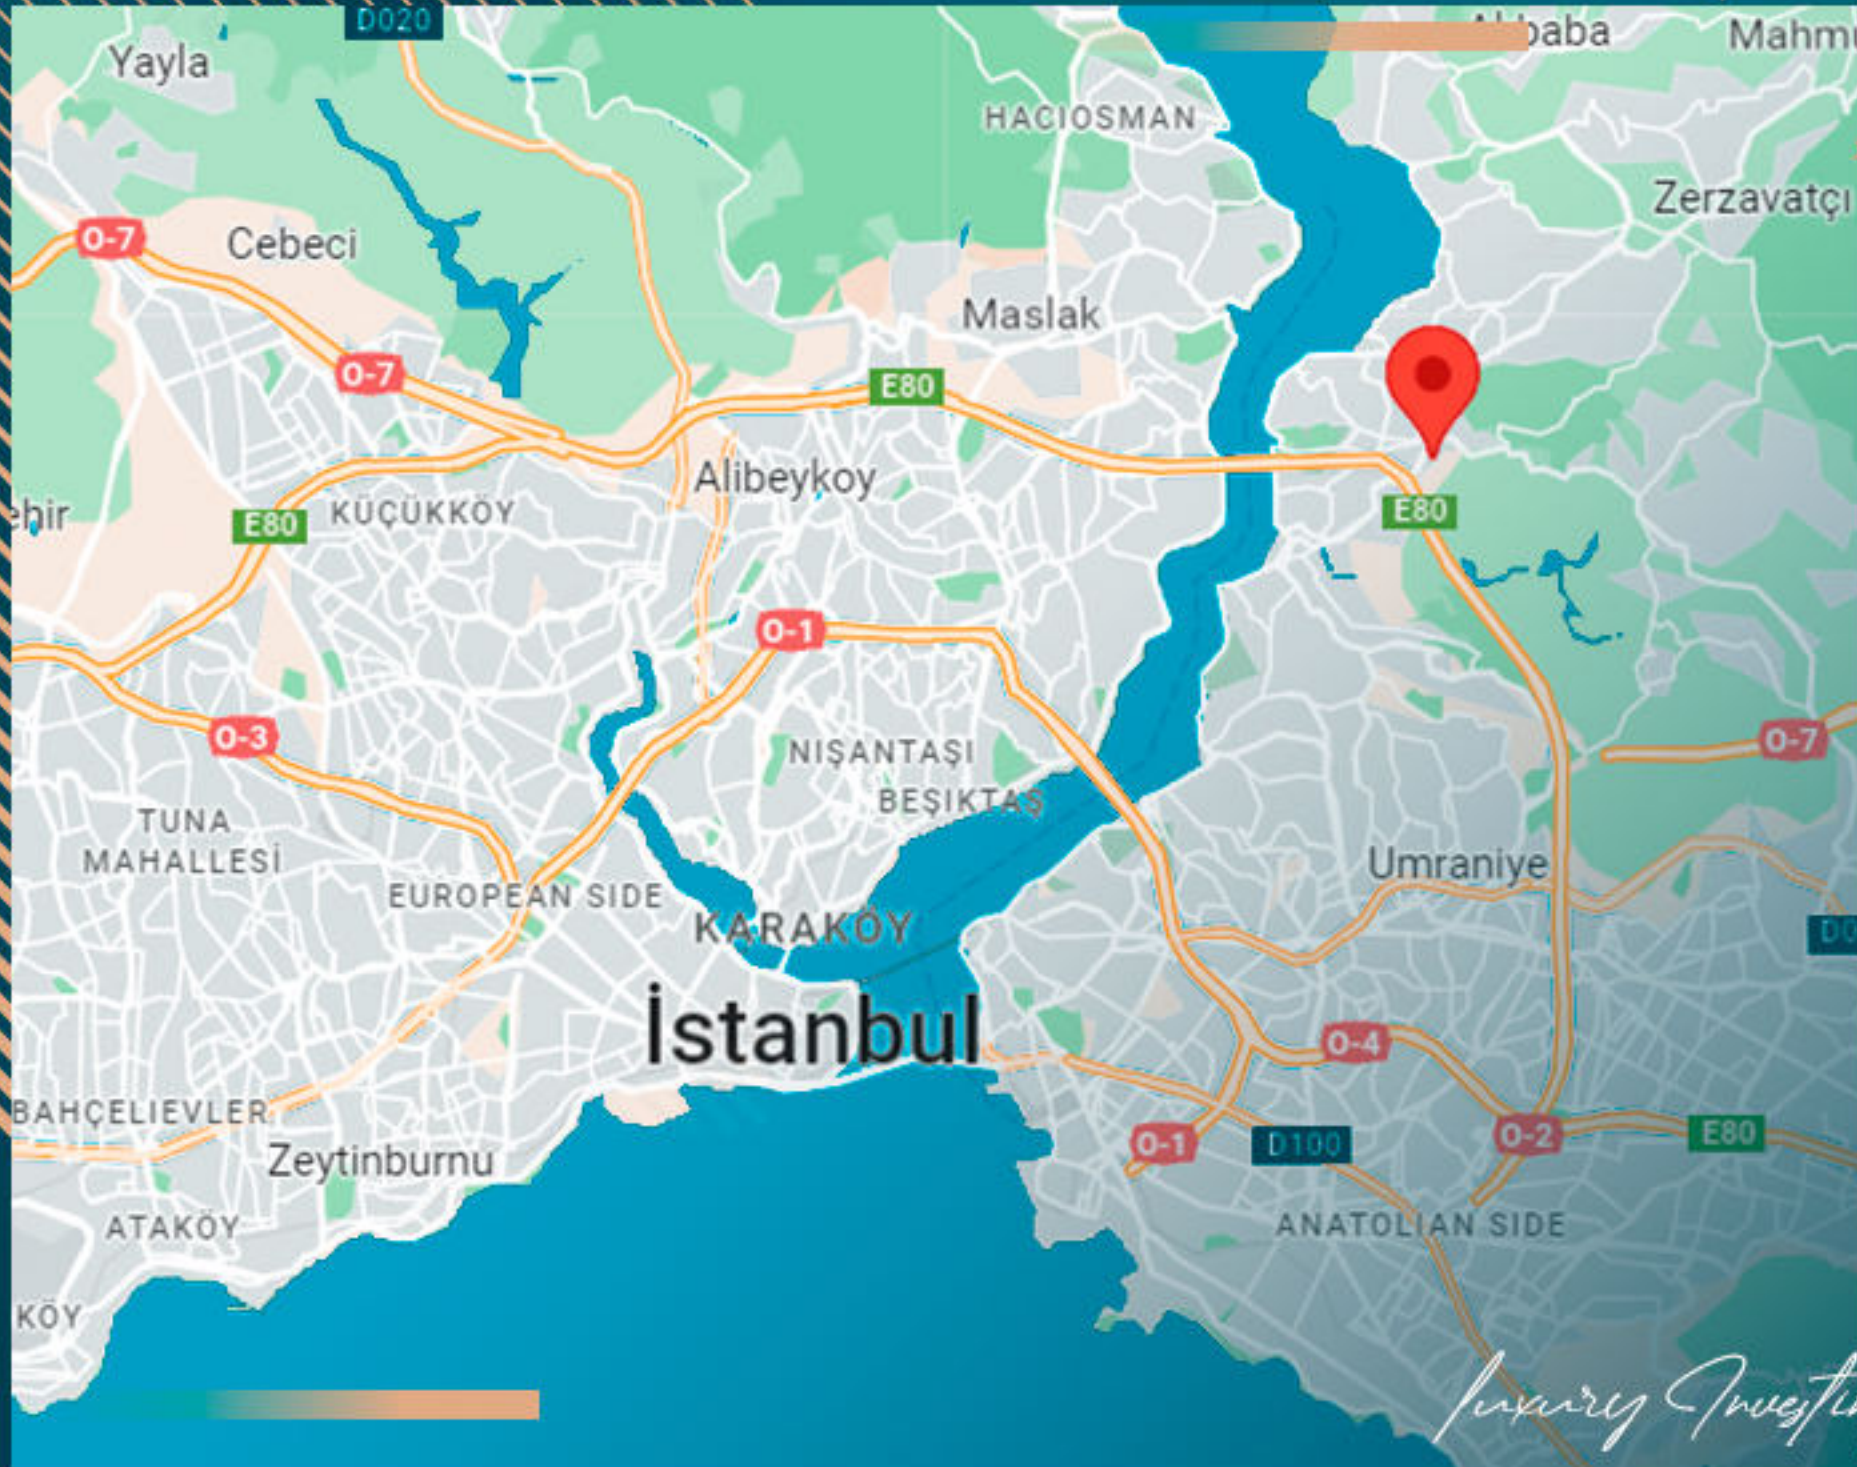

Luxury Investing

While the large glass practice on the exterior facade host the forest to your home, it enables the interior spaces to integrate with the landscape and allows you to benefit from daylight at the highest level. Your highest level of comfort is provided by floor heating and VRF cooling systems. Besides, it is aimed to provide maximum efficiency in the use of energy.

Thus, a life in harmony with the goal of a sustainable world is being built.

Mesa Orman II, adds nature into your metropolitan life and welcomes clean forest air in to your homes with Mesa quality. A life at Mesa Orman II, presents a high qualified comfort satisfaction by maximizing your living standards through 163 flats with wide balconies and terraces from 2+1 to 6.5+1 within 10 blocks.
