PROPERTY DESCRIPTION

Four Winds Residence is one of the most prestigious waterfront residential projects on the Asian side of Istanbul. Located directly on the iconic Bağdat Avenue in the upscale Göztepe district, it offers breathtaking panoramic views of the Marmara Sea, the Princes' Islands, and Istanbul's historic skyline. Developed by Taşyapı, one of Turkey's leading real estate and construction companies, the project presents a luxurious urban resort lifestyle, designed for families seeking elegance, comfort, and exclusivity in the heart of the city.

The project spans approximately 44,000 sqm of land, featuring four elegant residential towers, each rising 44 floors high, with a limited number of around 520 exclusive units, ensuring exceptional privacy and comfortable living density. A significant portion of the project land is dedicated to landscaped green spaces, gardens, and relaxation areas, creating a peaceful and refreshing environment rarely found in the city center.

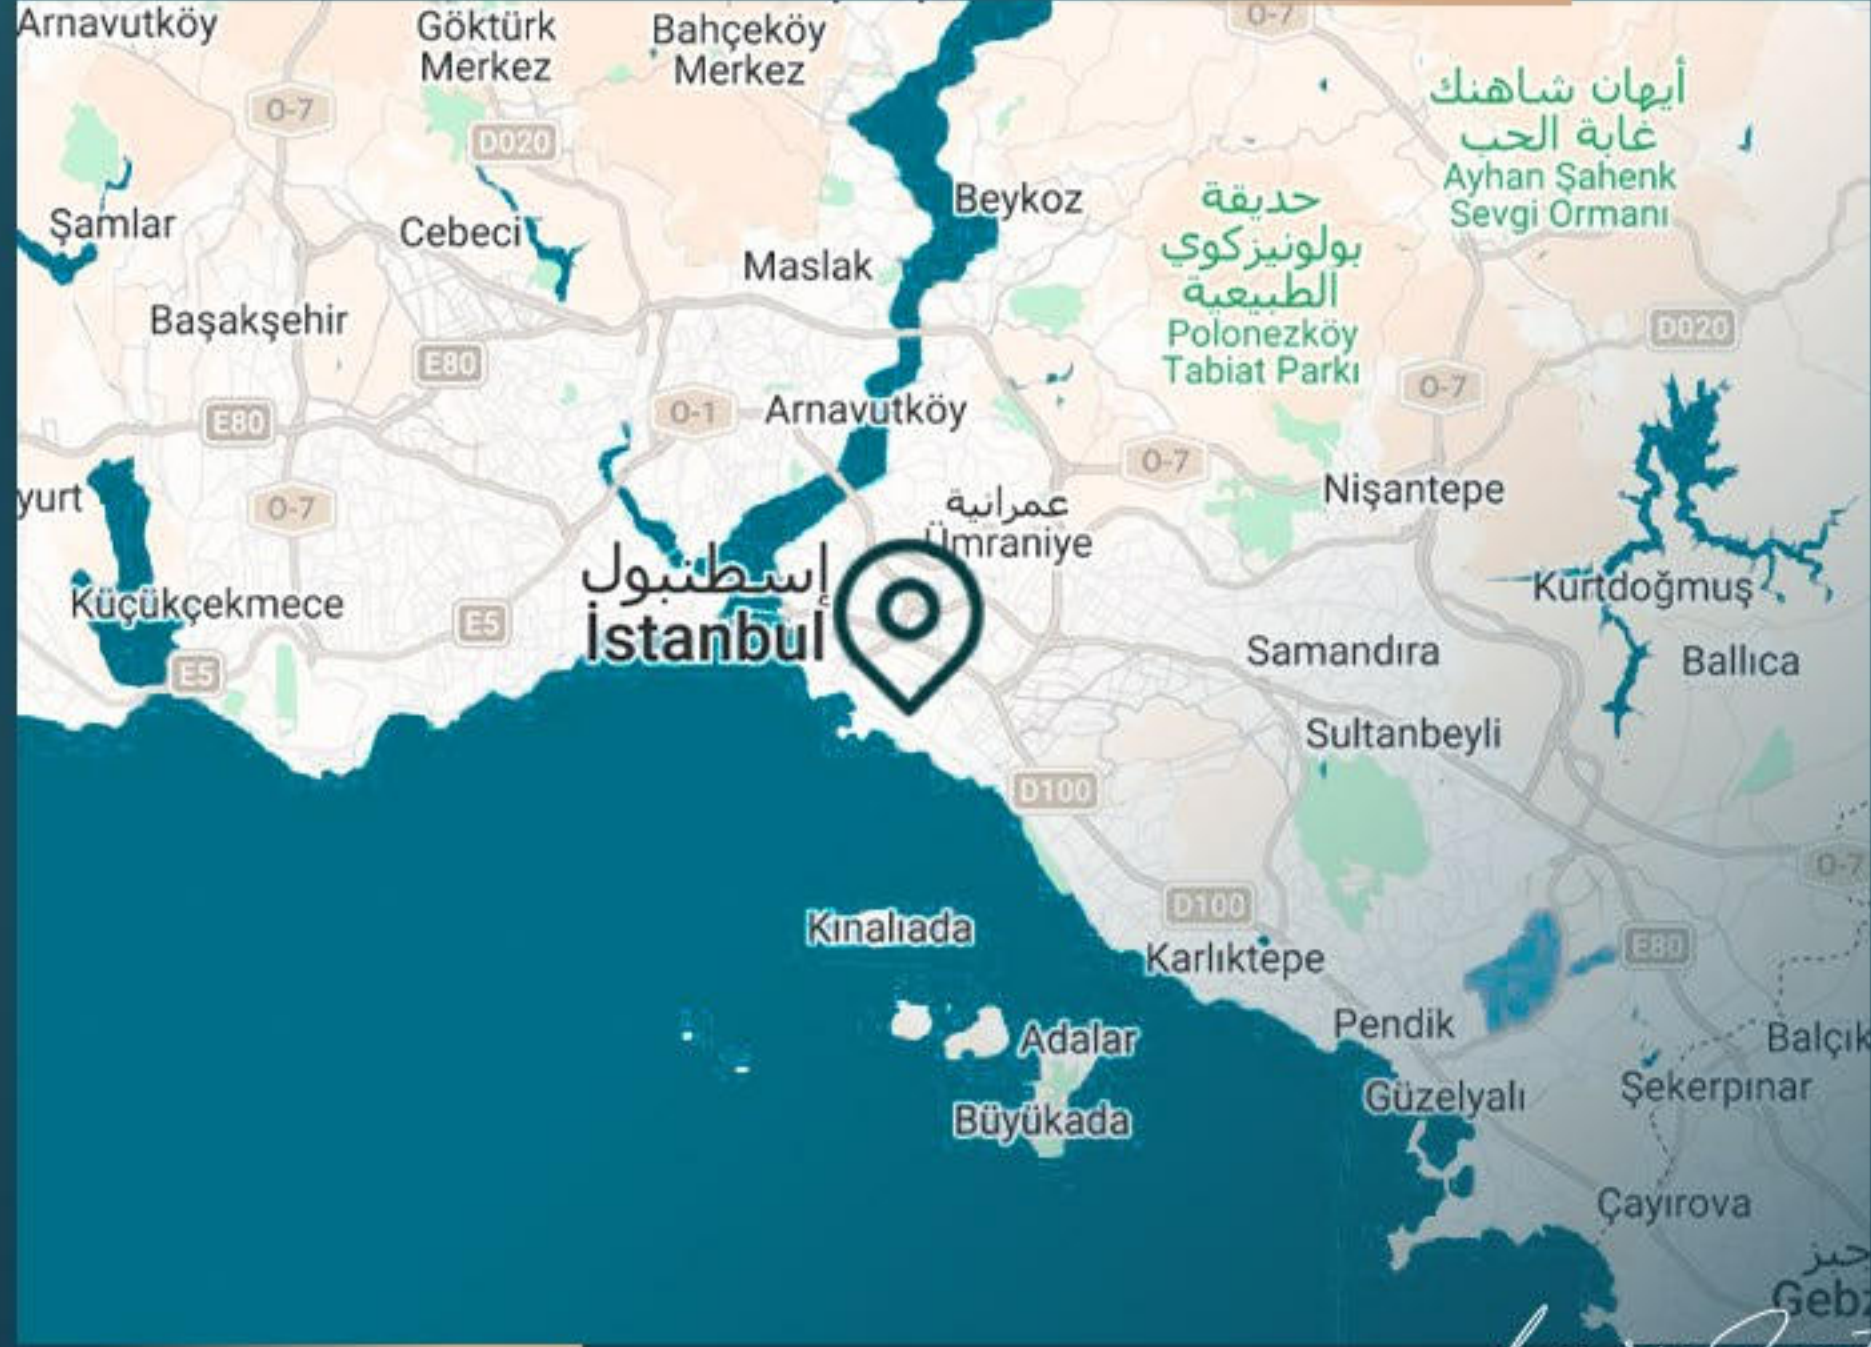

Luxury Investing

Four Winds offers a wide selection of apartment types to suit families seeking luxury living, ranging from 1+1 to 1+4, in addition to expansive duplex options.

The residences feature generous layouts, floor-to-ceiling windows, large balconies, premium finishes, and spectacular unobstructed views over the sea and the islands, delivering an exceptional residential experience.

PROPERTY LOCATION

Four Winds enjoys an exceptional location in one of the most valuable residential areas in Asian Istanbul. It is just a short walk from the coastline and beautiful seaside parks, and only steps away from Bağdat Avenue, renowned for its luxury shopping, upscale restaurants, and stylish cafes. The project is also very well connected to the city, particularly with its proximity to the Marmaray station, providing fast and easy access to Istanbul's most important destinations.
