

Reef 1000
A luxury residential project in the
heart of Dubailand
LSD13

Dubai , DLRC , Dubailand

IS BLOOM
LUXURY
SIGNATURE

luxury living

Property Description

Reef1000 is the first project to introduce the Sunken Garden concept, a patented climate-controlled submerged garden system, providing a comfortable environment year-round, independent of external weather

The design is inspired by coral reefs, utilizing environmentally friendly materials and sustainable design, with high ceilings approximately 3.15 meters and kitchens equipped with high-quality German appliances

for reef living

luxury living
