Property Description

DaVinci Tower is the first luxury residential project that embodies the spirit of Pagani Automobili in every detail. Located along the Dubai Canal, in the heart of the prestigious Business Bay, it's where engineering and art unite in their most elevated form

A prestigious tower architecture inspired by Pagani's design philosophy, the building appears as a sculptural masterpiece with a dynamic façade and a breathtaking suspended sphere that seems to defy gravity, all within a perfectly balanced architectural form

Steel Atrium Lobby combining stainless steel, carbon fiber, leather, and kinetic chandeliers for an artistic arrival experience

Rooftop Pool surrounded by lush urban greenery, modern fitness center, sauna, and steam rooms

Concierge & Security Services ensuring 24/7 complete comfort and support for residents

luxury living

luxury living

A selection of 1-4 bedroom apartments, luxury duplexes, and an iconic penthouse
 Sizes range from 1,473 sq.ft. to over 4,569 sq.ft. for duplexes, with the largest penthouse spanning 14,428 sq.ft

DaVinci Tower is more than just a residential address it's a living masterpiece where luxurious design, architectural excellence, and a prime location merge with the spirit of Pagani, offering a lifestyle for those who accept nothing less than perfection

Property Location

DaVinci Tower stands directly on the Dubai Canal, just minutes away from iconic landmarks such as Burj Khalifa, The Dubai Mall, Dubai Opera, and The Dubai Fountain a location that blends modern urban life with cultural vibrance
